MEMORANDUM FOR : Director of Administration  
ATTENTION : Personnel Officer  
SUBJECT : Status of Personnel for Detachment B

1. As you recall, yesterday we discussed the availability of personnel for Detachment B to some extent. Inasmuch as it was somewhat difficult for me to pinpoint exactly where delays had occurred and where delays may ensue in getting Detachment B personnel on board at an early date, I expressed a desire for a list of positions which we have forwarded to [ ] but for which we have received no nominations. When you can make this list available to me I will be in a better position to follow through in an attempt to get the most critical people on board.

2. I would also like for you to discuss within your own area some means of cutting down on the time lapse between the day we get the name nomination from the Air Force until we get the individual on board at the [ ]. We discussed this somewhat yesterday and I would like to discuss the same point further with Mr. Bissell. Possibly we can find time on Wednesday afternoon to meet with Mr. Bissell on this subject.
